(b) July 1, 2009, through June 30, 2010;

(c) July 1, 2010, through June 30, 2011.

(B) For any application period, the owner of a historic building may apply to the state historic preservation officer for a rehabilitation tax credit certificate for qualified rehabilitation expenditures paid or incurred after April 4, 2007, for rehabilitation of a historic building. The form and manner of filing such applications shall be prescribed by rule of the director of development, and, except as otherwise provided in division (D) of this section, applications expire at the end of each application period. Each application shall state the amount of qualified rehabilitation expenditures the applicant estimates will be paid or incurred. The director may require applicants to furnish documentation of such estimates.

The director, after consultation with the tax commissioner and in accordance with Chapter 119. of the Revised Code, shall adopt rules that establish all of the following:

(1) Forms and procedures by which applicants may apply for rehabilitation tax credit certificates;

(2) Criteria for reviewing, evaluating, and approving applications for certificates within the limitations under division (D) of this section, criteria for assuring that the certificates issued encompass a mixture of high and low qualified rehabilitation expenditures, and criteria for issuing certificates under division (C)(3)(b) of this section;

(3) Eligibility requirements for obtaining a certificate under this section;

(4) The form of rehabilitation tax credit certificates;

(5) Reporting requirements and monitoring procedures;

(6) Any other rules necessary to implement and administer this section.

(C) The state historic preservation officer shall accept applications and forward them to the director of development, who shall review the applications and determine whether all of the following criteria are met:

(1) That the building that is the subject of the application is a historic building and the applicant is the owner of the building;

(2) That the rehabilitation will satisfy standards prescribed by the United States secretary of the interior under 16 U.S.C. 470, et seq., as amended, and 36 C.F.R. 67.7 or a successor to that section;

(3) That receiving a rehabilitation tax credit certificate under this section is a major factor in:

(a) The applicant's decision to rehabilitate the historic building; or

(b) To increase the level of investment in such rehabilitation.

An applicant shall demonstrate to the satisfaction of the state historic preservation officer and director of development that the rehabilitation will satisfy the standards described in division (C)(2) of this section before the applicant begins the physical rehabilitation of the historic building.

(D) (1) The director of development may approve an application and issue a rehabilitation tax credit certificate to an applicant only if the director determines that the criteria in divisions (C)(1), (2), and (3) of this section are met. The director shall consider the potential economic impact and the regional distributive balance of the credits throughout the state.

(2) A rehabilitation tax credit certificate shall not be issued before rehabilitation of a historic building is completed or for an amount greater than the estimated amount furnished by the applicant on the application for such certificate and approved by the director. The director shall not approve more than a total of sixty million dollars of rehabilitation tax credits for an application period.

(3) Of the sixty million dollars approved for application periods July 1, 2009, through June 30, 2010, and July 1, 2010, through June 30, 2011, forty-five million dollars shall be reserved in each application period for the award of rehabilitation tax credit certificates to applicants who, as of March 1, 2008, had filed completed applications that met the criteria described in divisions (C)(1), (2), and (3) of this section, who have not withdrawn the application, and who have not yet been approved to receive a certificate. If the total amount of credits awarded for such applications is less than forty-five million dollars in an application period, the remainder shall be made available for other qualifying applications for that application period.

(4) If an applicant whose application is approved for receipt of a rehabilitation tax credit certificate fails to provide to the director of development sufficient evidence of reviewable progress, including a viable financial plan, copies of final construction drawings, and evidence that the applicant has obtained all historic approvals within twelve months after the date the applicant received notification of approval, or if the applicant fails to provide evidence to the director of development that the applicant has secured and closed on financing for the rehabilitation within eighteen months after receiving notification of approval, the director shall notify the applicant that the approval has been rescinded. Credits that would have been available to an applicant whose approval was rescinded shall be available for other qualified applicants. Nothing in this division prohibits an applicant whose approval has been rescinded from submitting a new application for a rehabilitation tax credit certificate.

(E) Issuance of a certificate represents a finding by the director of development of the matters described in divisions (C)(1), (2), and (3) of this section only; issuance of a certificate does not represent a verification or certification by the director of the amount

of qualified rehabilitation expenditures for which a tax credit may be claimed under section 5725.151, 5733.47, or 5747.76 of the Revised Code. The amount of qualified rehabilitation expenditures for which a tax credit may be claimed is subject to inspection and examination by the tax commissioner or employees of the commissioner under section 5703.19 of the Revised Code and any other applicable law. Upon the issuance of a certificate, the director shall certify to the tax commissioner, in the form and manner requested by the tax commissioner, the name of the applicant, the amount of qualified rehabilitation expenditures shown on the certificate, and any other information required by the rules adopted under this section.

(F)(1) On or before the first day of December in 2007, 2008, 2009, 2010, and 2011, the director of development and tax commissioner jointly shall submit to the president of the senate and the speaker of the house of representatives a report on the tax credit program established under this section and sections 5725.151, 5733.47, and 5747.76 of the Revised Code. The report shall present an overview of the program and shall include information on the number of rehabilitation tax credit certificates issued under this section during an application period, an update on the status of each historic building for which an application was approved under this section, the dollar amount of the tax credits granted under sections 5725.151, 5733.47, and 5747.76 of the Revised Code, and any other information the director and commissioner consider relevant to the topics addressed in the report.

(2) On or before December 1, 2012, the director of development and tax commissioner jointly shall submit to the president of the senate and the speaker of the house of representatives a comprehensive report that includes the information required by division (F)(1) of this section and a detailed analysis of the effectiveness of issuing tax credits for rehabilitating historic buildings. The report shall be prepared with the assistance of an economic research organization jointly chosen by the director and commissioner.
